PREMIUM MINERAL TEXTURE FINISH

TerraGen™ Gratti

Origen Paints
NATURAL INTELLIGENCE

Refined, fine texture · Trowel or roller

INTERIOR + EXTERIOR | DEEP MATTE | HIGHLY BREATHABLE

01 WHY GRATTI

Refined texture.
Distinctly architectural.

Bring subtle depth and natural character to interior and exterior walls with a premium mineral texture finish designed for refined, hand-finished surfaces. TerraGen™ Gratti combines selected aggregates and bio-based resins with $CaCO_3$™ Technology (Graphene Technology) to create a fine, deep-matte mineral texture, finished by hand as scraped, floated, burnished or smooth surfaces.

Refined Mineral Texture
A fine, sophisticated texture for subtle architectural depth.

Four Distinct Finishes
Scraped, floated, burnished or smooth, from one material.

Highly Breathable
High water-vapor permeability keeps walls breathing.

Renovation Friendly
Over well-adhered painted walls, with no dedicated primer under normal conditions.

02 GOOD FOR

Feature Walls | Living Rooms + Bedrooms | Commercial + Hospitality | Exterior Walls + Masonry | Renovations | Historic Restoration

Experienced applicator recommended. Exposed exterior surfaces and wet areas are completed with TerraGen™ PU Water-Repellent (see the Application Guide).

COVERAGE	FINISHES	APPLY BY	RECOAT	SIZE
17–48	4	Trowel · Roller	24–48 hr	44 lb
sq ft / 44-lb pail	scraped · floated	hand-finished	leveling + finish coat	(20 kg) pail
at 0.12–0.20 in (3–5 mm)	burnished · smooth	experienced applicator	30-day full cure	ready to use

03 ONE MATERIAL. FOUR DISTINCT FINISHES.

FINE · RHYTHMIC

Scraped

A fine, open mineral texture with a crisp, architectural rhythm.

SOFT · EVEN

Floated

A soft, even texture with quiet, natural movement.

SMOOTHED

Burnished

A smoother, closed surface with a gentle mineral glow.

REFINED

Smooth

The most refined expression: calm, seamless and deep matte.

04 GRATTI OR MARMOLINO?

REFINED TEXTURE

TerraGen™ Gratti

Refined, fine texture. Fine, sophisticated architectural texture.

RICH TEXTURE

TerraGen™ Marmolino

Rich, expressive texture. More pronounced mineral depth and expressive texture.

05 PROJECT PLANNING

COVERAGE

Approx. 17–48 sq ft per 44-lb pail at a finished thickness of 0.12–0.20 in (3–5 mm).

APPLICATION

Trowel or roller: a leveling coat and a finish coat, worked by hand to the chosen finish.

RECOAT + CURE

Recoat after 24–48 hr at 77°F / 60% RH. Full cure in 30 days.

SIZE

44 lb (20 kg) pail, ready to use. Off-White and Harmony colors.

06 COLOR

TerraGen™ Gratti comes in Off-White and the Harmony color card. Being a mineral finish, the final tone may vary slightly from the color card; a jobsite sample is recommended.
