NATURAL INTELLIGENCE

Rich, expressive texture · Trowel or roller

INTERIOR + EXTERIOR | TRACE VOC | HIGHLY BREATHABLE

01 WHY MARMOLINO

Rich mineral texture.
Hand-finished depth.

Create expressive architectural surfaces with a premium textured mineral finish designed for greater texture, depth and movement. TerraGen™ Marmolino combines selected aggregates and bio-based resins with $CaCO_3$™ Technology (Graphene Technology) to create a pronounced, deep-matte mineral texture, finished by hand in eight textures, from a smooth steel-trowel finish to bold sponge swirls.

Rich Mineral Texture
More pronounced mineral depth and expressive texture.

Hand-Finished Character
Every wall finished by hand, with its own movement.

Highly Breathable
High water-vapor permeability keeps walls breathing.

Interior + Exterior
Walls and ceilings, inside and out.

02 GOOD FOR
